

*“Part – financed by the European Union”*

## PRESS RELEASE

On April 30, 2015 was organized **Official opening conference** Of the project *Bulding Competency- based Training for Port Labour Force in a supportive environment - TRAINING4PORTS-* financed by **START Danube Region Project Fund.**

The **Kick of meeting** for official opening of TRAINING4PORTS Project was held in **Galati-Romania, at Conference room of Hotel Mercur, 23 Portului Street.**

The **list of participants included the representatives of:** Ministry of Transport, Ministry of Regional Development, Ministry of Environment, Ports Administrations from RO and UA, port operators, Romanian Naval Authority, regional development agencies, professional associations, training centers, Agency for Unemployed, City hall and Prefecture from Galati.

The **main aim of this Conference** was to inform the participants about START Danube Region Project Fund Programme and about the main objectives, activities and expected results, of TRAINING4PORTS Project.

During the Opening Conference was organized a **debates session** based on the presentations and about the existing situation of port workforce and their competencies as well as on the competencies required on the labour market.

**This event was promoted in mass media.**
